## **Statement from Trustees of the Wiri Yuwiburra Community Benefits Trust**

Waddamooli (Welcome).

The Hail Creek Mine is in Central Queensland inland from the coast around Mackay.

The land that the mine and surrounding communities in the Mackay region occupy will always be part of the Birri Gubba Nation and home to the Wiri and Yuwiburra Peoples.

We are mindful that First Nations Peoples across Central Queensland were decimated in the dispersals, dispossessed and removed from country, thus limiting opportunities for caring for country by First Nations Peoples who never left their homes in heart, mind and spirit.

The Wiri and Yuwiburra Peoples have been regathering over the years and hold aspirations for their families as part of the broader Birri Gubba Nation.

Through the Wiri Yuwiburra Community Benefits Trust (“WYCBT”), descendants of the First Nations Peoples in the Hail Creek Coal Agreement Area have an opportunity to build and sustain the present and future aspirations of the children, grandchildren, great grandchildren and great-great grandchildren of the First Nations Peoples of and in this region.

This opportunity represented by the Trust, will be part of a more positive future for the Wiri and Yuwiburra Peoples.

*Trustees are committed to mindfully and respectfully caring for the intended legacy of the Birri Gubba architects of the Hail Creek Coal Agreement.*

## 1. Background

---

- 1.1 The Wiri Yuwiburra Community Benefits Trust (the “Trust”) was established on 19 August 1998 following negotiations between Hail Creek Coal Pty Ltd (Hail Creek Coal) and Aboriginal groups to receive annual sums from Hail Creek Coal for the life of the Hail Creek Mine.
- 1.2 These funding guidelines have been prepared to let the community know more about the Trust and how Trust funds can be applied.
- 1.3 The Trust is made up of six (6) Trustees: four (4) Aboriginal Trustees, one (1) Independent Trustee and one (1) Trustee appointed by Hail Creek Coal.
- 1.4 It is the role of the Trustees to manage the Trust funds in accordance with the purposes of the Trust Deed and the law.

## 2. Trust’s Vision and Objectives

---

- 2.1 The Trustees have developed a Vision statement and it will distribute funds with this Vision in mind.
- 2.2 The Trust’s vision is that:

*Aboriginal People enjoy the same prospects for employment, economic prosperity and quality of life as other community members by measuring against:*

- *Closing the Gap*
- *ChangeFest 2018 Statement and 2017 Uluru “Statement from the Heart”*
- *the United Nations Declaration on the Rights of Indigenous Peoples*
- *the United Nations Sustainable Development Goals.*

- 2.3 Trustees commit to the following objectives:
  - (a) **Capacity Building** - That Aboriginal people participate fully in their community and take greater control of their health and community wellbeing.
  - (b) **Education and Training** - That Aboriginal people reach educational outcomes no lower than the community average, and that there is continual improvement in the educational, training and pre-vocational skills and abilities of Aboriginal people living in the region.
  - (c) **Cultural Heritage** - That cultural heritage of Aboriginal people is preserved for the benefit of current and future generations using initiatives such as keeping places, tourism ventures, repositories, and online resources and catalogues.
  - (d) **Governance** - That a professional governance structure and process to enhance effective and efficient planning and decision-making, leadership, coordination, and monitoring of the Trust is developed and maintained.
- 2.4 The Trustees use the vision statement and objectives as a guide to decide how the Trust can best support and develop Wiri and Yuwiburra and Barada Barna Peoples, and the broader Birri Gubba community resident in the Agreement Area.
- 2.5 The vision and objectives, together with the terms of the Trust Deed, forms the basis for projects that the Trust will support and how it intends to distribute funds.

#### 4. Beneficiary Database ---

- 4.1 The Trust maintains a Beneficiary Database which records details of its eligible Beneficiaries.
- 4.2 When a grant application is lodged with the Trust, an initial assessment is made of the Beneficiary Database to see whether a potential grant recipient is a registered Beneficiary.

- 12.2 Applicants can fill out and save an application (and print out) before final submission.
- 12.3 Supporting material must be uploaded and attached to the online application. If an attachment size is too large, it may be emailed directly to the Trust's Grants Officer: [admin@wycbt.org.au](mailto:admin@wycbt.org.au)
- 12.4 Incomplete applications will not be considered. Applicants must answer all questions and supply all information requested.
- 12.5 If technical assistance with the application process is required, applicants may find answers to queries here: <https://applicanthelp.smartygrants.com.au/help-guide-for-applicants/>.

### **13. Assessment Process**

---

13.1 When an application is submitted via the SmartyGrants portal on the Trust's website, applicants receive an email confirming the grant reference number. This reference number should be quoted in any future communication with the Trust.

13.2 The Trust then performs an initial check to confirm the eligibility status of the potential Beneficiary (refer to clauses 3 and 4).

- (e) standard of the application (sufficiently completed)
- (f) evidence (sufficient information and evidence to support the application)

13.4 A decision is then made whether:

- (d) the Trust will not approve the application at this time.

### **14. Timeframe for deciding an application**

---

14.1 The Trust aims to make a decision on all grant applications within a 3-6 week period. If a grant application is complex and/or the requested amount is to be approved on merit, the assessment may take longer.

### **17. Declined applications**

---

17.1 Applicants are informed via email if their applications are not approved.

## 18. Acquittal

---
